Banking Officer
program

ABOUT **Virtual Banking Officer Program**

With the advancement in technology, Banks continue to offer services outside the banking premises through **telephone, internet, ATMs, KIOSKs** etc. **Technology-enabled services**, not only provide easy access to the customers but also helps Banks to **reduce their costs** of handling/servicing transactions. Today, **Virtual Banking channels** are used by Banks to **generate new business, enhance customer relationship**, be available at all times and reduce branch workload.

With the continuous growth of the Indian Banking sector while ensuring improved services to customers at a lower cost, Banks continue to invest in **Virtual Banking**. This requires Banks to increase the number of phone banking officers.

PROGRAM OBJECTIVE:

The focus of the program is to **create day-one, hour-one ready** professionals for **Virtual Banking Officer** Roles in leading Private Banks and Financial Institutions of the country.
